## **Construction begins June 2 on US Highway 52 north of Buchanan**

Construction begins Thursday, June 2, on US Highway 52 north of Buchanan and will consist of the maintenance of roadway sensors. During the project a lane closure with flaggers will be in place.

During construction:

- The southbound lane is expected to be closed during the morning hours and all traffic will be maintained through the construction zone
- The northbound lane is expected to be closed during the afternoon hours and all traffic will be maintained through the construction zone
- Flaggers will be present in the area to direct traffic
- Speeds will be reduced to 25 mph
- Motorists may experience delays

The project is expected to be complete by early evening Friday, June 3.
